

HUMMINGBIRD COFFEE

LA SCALA BUTTERFLY

DOMESTIC ESPRESSO MACHINE

The wonderful la Scala BUTTERFLY 1-group domestic espresso machine makes a good quality, full-flavoured espresso coffee, comparable to one you would get at your local cafe. It uses professional componentry, has clean, modern lines with extreme operational simplicity and reliability. A great asset to your home and looks great on the kitchen bench.

la SCALA

- Copper Boiler (2 Litre)
